

# Saint Francis Summer Academy

This summer Saint Francis International School in Silver Spring is offering a summer academy for students in elementary and middle school. ***Our summer academy is designed to provide both enrichment and remediation depending on each child's individual needs.*** Students who have completed Pre-K 4 through seventh grade are eligible to attend the summer academy. The summer academy will begin with pre-assessments to determine student learning levels and needs which will be used along with a review of each student's report card and consultation with their current teachers and principal to determine what learning standards to focus on during the summer.

**The Saint Francis Summer Academy offers various programs to choose from. Please refer to the back of this flier for details on the programs available this summer.**

**Students will be instructed by career teachers in small groups. Each student will be assessed at the end of the summer and weekly standards-based reports indicating their growth will be provided for their regular school.**

The summer academy will run from 8 am to 1 pm Monday through Friday from July 5-29. Tuition for the summer academy is \$600 (or only \$525 for the whole summer if you pay tuition in-full by June 10<sup>th</sup>). Tuition includes textbooks and *daily breakfast and lunch* for all students.

**Before care is available from 7 to 8 am for an additional \$30 per week.**

**After care is available from 1 to 5 pm for an additional \$15 per hour.**

**Where:** *St. Camillus Campus* of Saint Francis International School  
1500 St. Camillus Drive  
Silver Spring, MD 20903

**When:** July 5-29, 2016  
8 am to 1 pm (before and afternoon options available)

**Who:** Current Pre-K 4 through 7<sup>th</sup> grade students from Catholic, public, or private schools

**Why:** To provide students with high quality, standards-based enrichment and remediation in math and language arts

**How:** Small group instruction from career school teachers

**Cost:** \$600 for four weeks which includes textbooks and daily breakfast and lunch  
*Only \$525 if tuition is paid in full by June 10<sup>th</sup>!*

**July 5-29, 2016**  
**8 am to 1 pm**

SFIS offers five different summer academy programs to the unique needs of students. Programs are available for students entering elementary school through those completing middle school.

**Tuition for the FOUR-WEEK summer academy is \$600 (tuition discount if paid in-full by June 10) and includes textbooks and materials, online learning tools, regular progress reports, as well as light breakfast and lunch every day.**

All Summer Academy programs are open to current SFIS students *as well as students from other public and private schools*. **Here are what we have to offer and who the programs are for:**

- **Math & Language Arts Review & Enrichment** – for any students currently in grades 1 through 7, especially those who might be struggling with their grades.

Our traditional summer school program offers intensive math, reading, and writing classes in groups of no more than ten students. The curriculum for summer school is built around the needs and interests of the children in each class. Students are assessed before and after the summer academy and parents receive weekly progress reports throughout the program.

- **Get Ready for Kindergarten** – for student currently in Pre-K 4 who will be in Kindergarten in the fall.

This four week program will reinforce fundamental skills and help students get ready for the new environment of Kindergarten in a fun and engaging way. Emphasis will be put on making sure that the literacy and math skills needed for Kindergarten are mastered. The student to teacher ratio will be no more than one teacher per 8 students.

- **Get Ready for First Grade** – for students currently in Kindergarten who will be in 1<sup>st</sup> grade in the fall.

1<sup>st</sup> grade brings new responsibilities for students including an emphasis on personal organization and self-motivation. This program is designed to foster rising 1<sup>st</sup> graders' independence and make sure they have the reading and math skills needed for 1<sup>st</sup> grade. The student to teacher ratio will be no more than one teacher per 8 students.

- **Arts & Humanities Enrichment** – for students currently in grades 4 through 7 who have high marks.

This year's program will be led by language arts teacher, Deborah Roby. It is intended to be a fun, project-based learning experience that integrates creative writing, visual arts, performance art, and technology in the study of literature and world cultures. Scholars will also work on research skills as they develop their creations.

- **Science, Technology, Engineering, and Mathematics (STEM) Enrichment** – for students currently in grades 4 through 7 who have high marks.

"SciTech@SFIS" is a summer school program focused on making science and math enjoyable which is led by nationally recognized Advanced Placement Chemistry and Physics teacher Mr. Mike Miehl. Students will use their math and science skills and knowledge to engage in experiments and activities that will let them grow in areas of technology and engineering. Student will come away from this program with greater exposure to technology and engineering concepts as well as stronger math and science skills.

# 2016 REGISTRATION FORM

Please complete this form and submit it, with a check or money order for your registration fee to St. Francis International School, 1500 St. Camillus Drive, Silver Spring, MD 20903
